

# Kids For Wish Kids®

## Wish Granting

This year 14,000 wish kids will have their wishes granted by Make-A-Wish®. Chapters look to Kids For Wish Kids®, a sustainable and efficient fundraising program, to raise funds needed to grant these incredible wishes.

- ✓ **14,000** wishes are granted annually
- ✓ **5,159** wishes granted by Kids For Wish Kids participants
- ✓ **\$8,141** average cost of a wish
- ✓ Every **38** minutes a wish is granted

## Kids For Wish Kids- Program Overview

The Kids For Wish Kids program allows kids K-12 to help grant the wishes of kids with life-threatening medical conditions. Kids For Wish Kids is unique because kids manage the program themselves. Kids and teens are responsible for the program; from brainstorming fundraising ideas, to developing a plan of action and manage their fundraisers from start to finish.

In addition to helping to grant wishes, kids involved in the Kids For Wish Kids program can expect to walk away with a better understanding of:

- ✓ Value of community service
- ✓ Volunteerism
- ✓ Leadership skills
- ✓ Money management
- ✓ School spirit
- ✓ Teamwork
- ✓ Entrepreneurship
