

Make-A-Wish®

Give them Hope

WISHMAKERS AT WORK®

A wish brings hope which not only boosts spirits, it gives kids an edge in coping with critical illnesses. Give wish kids hope when you bring coworkers together in support of the cause. Companies and organizations are invited to join together to raise funds to grant wishes. Pick an activity, engage your coworkers and collect funds to make wishes come true.

GO CASUAL

Encourage employees to donate for the privilege of wearing jeans, their favorite sports apparel, or sport their college basketball team as tournament season begins.

PARTY WITH A PURPOSE

Add a fundraising component to your annual office party by incorporating a silent auction, games or conducting a raffle.

GET COMPETITIVE

Start a friendly office competition between departments or give members of your team the opportunity to show off their skills through an office tournament, field day, cook off, or bake sale.

CREATE YOUR OWN FUNDRAISER

We always love to hear your new and different ideas. We can work with you to create something fun and unique for your team. Just give us a call!

GET STARTED

1. Contact our corporate team (shultz@illinois.wish.org or 312.602.9474) for support.
2. Participating organizations will receive a Starter Kit including Make-A-Wish promotional materials.
3. Have fun knowing you are making a difference for children with life-threatening medical conditions.
